## ALL OF THE FUN, NONE OF THE HASSLE!

We have created another way to enjoy boating in the waters of Osterville, Oyster Harbors and Nantucket Sound. Having recently expanded South Bay Unlimited's fleet of center consoles, we are offering additional limited memberships to our South Bay Unlimited boat club. Our club involves a member paying an annual fee to have access to a number of boats owned by South Bay Unlimited. Please inquire and/or spread the word if you know anyone who might have interest. There are a finite number of memberships, so act fast.

*Pictured are representatives of our current fleet, which we will continue to expand.*
